

HAVE YOUR CAKE & EAT IT

**Increase your current earnings significantly and work
wherever and whenever you wish.**

Sounds too good to be true?

**We appreciate the efforts of a successful recruitment consultant
and therefore we reward our consultants appropriately by
offering a larger share of the fees generated.**

**We are also flexible with work hours and location as we
recognise that employees desire a greater control over their lives.
Achieving a work-life balance is a reality at Taylor McLaren.**
